Akshaya Ramprasad

Fremont, CA | 323-687-2875 | Akshayaaramp@gmail.com | linkedin.com/in/akshayaramprasad

PROFESSIONAL SUMMARY

Customer-facing professional with experience across customer support, client support, and marketing strategy, backed by a Master's in Marketing Analytics. Comfortable managing high volumes of client and customer interactions, building trust quickly, and coordinating across teams to resolve issues and move projects forward. Combines strong communication skills with a working knowledge of digital marketing, content planning, and data and analytics tools.

WORK EXPERIENCE

Yesvite, ***Customer Success Manager*** | San Francisco, CA — Aug 2025 – Feb 2026

- Partnered directly with the founder and an engineering team across timezones to shape **marketing strategy and pre-launch website planning**, structure, and content positioning
- Improved the customer onboarding playbook and contributed to workflow improvements that **sped up website load time**
- Launched a customer feedback page, routing submissions through a **Google Form into a Firebase database** to support ongoing usage and product analysis
- Used AI tools including **Claude and GPT** to generate and refine ideas for website themes and page design suited to an e-invite platform
- Learned **Adobe Illustrator** independently to support the team's design needs, contributing visual assets for website and marketing materials

Content Culture, ***Customer Success Specialist (Volunteer)*** | Remote — Apr 2025 – Aug 2025

- Guided small business clients at a digital marketing agency through **social media and digital marketing strategies** tailored to each client's goals
- Acted as a **point of contact** between clients and the internal marketing team, translating client needs into actionable marketing plans
- Supported strategy planning for client social media presence, **campaign timing**, and content direction
- Coordinated with design and marketing teammates to keep client projects on track

Iron Mountain, ***Customer Success Specialist*** | India — Feb 2021 – Dec 2022

- Owned a portfolio of **80+ SMB client accounts**, resolving support tickets in a timely manner and ensuring clients received clear, workable paths to resolution
- Resolved customer issues in a timely manner, resulting in an **average response time of 24 hours** and a **customer satisfaction rate of 90%** with a positive NPS rating
- Partnered across Operations and Support teams to resolve client issues quickly, holding the book to **98% SLA compliance**
- Maintained accurate records of client interactions and account details to keep the team aligned on account status

Amazon, ***Customer Success Analyst*** | India — Jul 2017 – Feb 2021

- Handled a high volume of customer inquiries across chat and email for Amazon's consumer programs, consistently meeting resolution time and quality targets
- Analyzed customer behavior and recurring support ticket patterns to flag systemic issues, contributing to a documented **3% reduction in churn** across monitored programs
- Moved into a vendor-facing role supporting **80+ Amazon Basics seller accounts**, helping them onboard, get products live, and navigate program requirements to start selling on Amazon
- Documented team workflows and best practices, supporting smoother onboarding for new hires

EDUCATION

M.S., Marketing Analytics | California State University, Long Beach — Aug 2023 – Dec 2024

B.Com., Commerce | Avinashilingam University — 2017

AWARDS

Best Performer Award, Amazon | Recognized for consistently fast, high-quality customer issue resolution.
